

TRAINING CONTRACT

READ, COMPLETE, SIGN, AND RETURN THIS CONTRACT.

I confirm that I am enrolling in a course and/or examination that is delivered by the CPA Western School of Business (“the regional/provincial body”) and hereby agree to the following terms and conditions.

I acknowledge that the CPA Western School of Business offers courses and programs on behalf of the Chartered Professional Accountants of Canada (“CPA Canada”).

CPA LEARNING MATERIAL

As the material in the program (“material”) is proprietary to CPA Canada and/or the regional/provincial body, I agree to only use the module contents and reference materials as a learner in the program. I acknowledge that providing to other parties, including coworkers, a copy of, or access to, such materials is strictly prohibited and illegal, and will result in serious penalties, including, but not limited to, possible expulsion from the profession and legal action.

I agree to restrict my use of the material to CPA program tasks and activities. I understand that I may not use the Desire2Learn network (“network”) for anything other than program tasks and activities. I will not use the material for any unauthorized or illegal purposes, to infringe the rights of a third party, or to interfere with or disrupt the network. Such disruptions include: distribution of unsolicited advertising or chain letters; defamatory, libellous, or offending content (such as pornography or hate material); propagation of computer worms and viruses; and use of the network to enter, or attempt to enter, another network machine to which I do not have authorized access.

I agree to not sell, rent, lease, lend, or otherwise distribute the regional/provincial body or CPA Canada learning materials or derivative works of the regional/provincial body or CPA Canada learning materials (collectively, the “Learning Materials”) on a standalone basis or as part of a collection, or as part of any product or service for resale, unless I have previously specifically licensed such rights from the regional/provincial body or CPA Canada or the owner of the applicable software product in accordance with the agreement relevant to that product.

PRIVACY

I consent to the CPA Western School of Business (CPAWSB or ‘the School’) collecting and using my personal information and my live or recorded image as reasonably required for the purposes of administering my role as a learner, in CPA education, including the CPA Professional Education Program (CPA PEP), the Advanced Certificate in

Accounting (ACAF), CPA preparatory courses, or the Post-Designation Public Accounting program (PDPA). I consent to CPAWSB disclosing my personal information to CPA Canada and/or the provincial CPA body ('the province') with which I am affiliated for the purposes of administering my role as a learner and providing me support.

I understand CPAWSB will collect, use, or disclose personal information without my knowledge or consent only as permitted or required by law.

I understand and agree that authorized employees, contractors and/or agents of CPAWSB will have access to my personal information in connection with my CPA education. I understand CPAWSB will only use and disclose my personal information as required and as necessary for the delivery of CPA education. I have the right to access and correct personal information held about me and to exercise these rights, or if I have any questions, comments or concerns about this consent I may contact the CPAWSB privacy officer at privacy@cpawsb.ca. I understand that all requests to access my personal information must be made in writing.

I agree I will not collect, use, or disclose the personal information of my fellow learners without their prior consent.

DISCLAIMER

I understand that the regional/provincial body and CPA Canada expressly disclaim any warranty for the Learning Materials. The Learning Materials and any related documentation are provided "as is" without warranty of any kind, either express or implied, including, without limitation, the implied warranties or merchantability, fitness for a particular purpose, or non-infringement. The entire risk arising from or in connection with the use or performance of the Learning Materials remains with myself as the learner of the program.

I will not, in any event, hold the regional/provincial body, CPA Canada, or its suppliers liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of, or inability to use, the Learning Materials of any regional/provincial body and/or CPA Canada product, even if the regional/provincial body or CPA Canada has been advised of the possibility of such damages. As some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation would not apply to learners in those regions.

PLAGIARISM

Plagiarism is a breach of professional conduct. Plagiarism is theft, as it involves claiming the ideas or writings of another as one's own. Plagiarism is a serious offence that breaches a Chartered Professional Accountant's core values of integrity and professionalism.

I understand that plagiarism is not tolerated by the regional/provincial body or by CPA Canada, and may result in severe disciplinary actions by any of these organizations.

I understand that I am responsible for any files or templates that I produce as a result of working in the program. I will not lend or give these files or templates to any other learner, prospective learner, or to any other individual.

I understand that I may be held responsible if I participate in another learner's plagiarism.

I acknowledge and agree that: (a) I will give credit to the author or source of any materials that I have used during my research; and (b) I will provide only original submissions (for greater certainty, including all written materials and images), to the regional/provincial body and/or CPA Canada for all program assessments (the "Submissions"). I acknowledge that breach of (a) or (b) above may lead to me being subject to disciplinary actions or other legal action by the regional/provincial body and/or CPA Canada, including, but not limited to, my expulsion from the program or from the profession.

As the submitter of Submissions (the "Submitter"), I hereby grant the regional/provincial body and CPA Canada the absolute right and permission and a royalty-free, non-exclusive, worldwide, unrestricted, irrevocable, sublicensable and transferable license to re-use, publish, display, produce, reproduce, modify, alter, edit, distribute, publish, transmit, broadcast or otherwise use and make available Submissions in whole or in part on any media whether now known or hereinafter devised in perpetuity, for the purpose of conducting the program and conducting the program assessments, in each case without further compensation for or notice to myself and, in the case of visual submissions, including the live and recorded images of other individuals (including fellow learners) (the "Subjects"), for and to such Subjects.

I hereby: (a) expressly waive any moral rights in the Submissions; (b) both as the Submitter of my Submissions, and as the possible Subject of the submissions of other learners, I (and my successors) expressly waive any rights that may exist regarding the Submissions, including the right to make any Claim (as hereinafter defined); and (c) release and forever discharge CPA Canada, the regional/provincial body, their respective officers, directors, employees, agents and affiliates, and each other person, fund and entity related to any of the foregoing (including, without limitation, the Board of Examiners) (collectively, the "Releasees") of and from all manner of actions, causes of actions, suits, debts, dues, accounts, bonds, covenants, contracts, claims and demands whatsoever (collectively the "Claims") which I (and my successors) may now or hereafter have in connection with the Submissions (including without limitation, in the case of any recordings, as a result of any visual or aural distortion, blurring, or alteration, optical or electronic illusion, or use in composite form, either intentionally or otherwise, that may occur or be produced in the taking, processing or reproduction of any finished product).

SOFTWARE

I acknowledge that all software, for example Desire 2 Learn, Virtual Professional Library, other software, provided to me by the regional/provincial body and CPA Canada ("software") is solely for use in the program.

I understand that the software are to be used solely as a resource tool for the program, and not for any other purpose.

I will not copy or provide access to, nor permit to be copied, any software that I have been provided.

The regional/provincial body and CPA Canada realize that I may be using more than one computer during the course of my studies, and permit me to copy the software onto more than one computer for the purpose of my participation in the program.

Once I have completed my studies in the program, I agree to uninstall the software from my computer, and from any other computers onto which I have copied it.

I will not load the software onto a workplace computer without the express permission of a person authorized by my employer. I am responsible for ensuring that I do not violate my employer's policies with respect to use of workplace computers.

EXAM SOFTWARE

The exam software is a lockdown software designed to allow individuals to use computers that are compliant with the requirements in the User Guide (as hereinafter defined) for reference and calculation, and to input responses for electronic submission while effectively disabling all other functionality on the applicable computer. Responses are encrypted and saved automatically.

I acknowledge that I am required to use a pre-determined PC-based laptop computer (“the Computer”) to write the CPA Canada examinations. I understand that I will be required to preload and test the exam software, which includes two infobases (the CPA Standards and Guidance Collection and the Federal Income Tax Collection) and a secured version of Microsoft Word and Excel. I understand that the Computer must satisfy the hardware and software requirements described in the current exam software User Guide and related documentation (collectively, “User Guide”).

I acknowledge that I and, if other than myself, the owner of the Computer to be used for the examination and on which the exam software will be installed, consent to the installation of the exam software on such Computer, and to its use by me prior to, during, and following the examination in the manner contemplated in this agreement, the User Guide, and in the rules established by CPA Canada.

I acknowledge that, before writing the examination, I must review the applicable User Guide, which provides detailed instructions on the use of the exam software. I will be required to install and test the exam software on the Computer.

I agree to take all necessary steps, including, but not limited to, working with the regional/provincial body and/or CPA Canada to ensure that any exam software issues are resolved prior to an examination.

In the unlikely event that I experience software or hardware problems during an examination which cannot be resolved within a reasonable amount of time, I acknowledge that I will complete my answers by hand and/or that I might be permitted to restart the exam. I agree that I will not hold CPA Canada, the regional/provincial body, and/or any other party liable if all, or any portion of my examination is not recoverable.

If I am using the Secureexam software for my examination, and my laptop ceases to recognize the USB provided, I will be given the option to continue writing the examination on my laptop or to handwrite the remaining portion of the examination. If I wish to continue with the examination on my laptop, I understand that there are risks involved with continuing the examination without a USB key as an external back up. Should I wish to continue the examination without a USB key, I will be required to sign a waiver stating that I understand the risks that my exam may not be recoverable and that no accommodation will be provided in this type of situation. CPA Canada will only mark the portion of the examination that can be recovered.

I agree that any problems or difficulties that I encounter with the Computer and/or software used will not be grounds for appeal of my examination results to the Board of Examination.

I agree that I will not attempt to modify the exam software or to circumvent (including, without limitation, by modifying the Computer) any of the processes or restrictions in the software, and I will not permit any third party to do any of the foregoing.

I agree that neither I nor, if other than myself, the Computer's owner, will bring any Claim, including an alleged legally enforceable right, cause of action, counterclaim or demand for relief ('Claim'), against CPA Canada or BTL and/or Software Secure, Inc. (i.e. the Releasees) or their respective officers, directors, employees, agents, and affiliates, or any other person, fund, or entity related to any of the foregoing with regard to the installation, testing or use of Surpass. I further agree to defend, indemnify and hold harmless the Releasees in connection with any Claims made by the Computer's owner.

I acknowledge that the Releasees will have no responsibility with regard to the Computer or its use in connection with the examination.

I confirm that my agreement to the above terms means that I (and, if other than myself, the owner of the Computer) am foregoing any Claim that may result in damages or other relief arising from the installation and use of Surpass, and that I will not bring any Claim against any of the Releasees (described above) in any court.

Note: It is very important to understand that the Releasees are only allowing you to write the examination based on this agreement as specified above. Should you attempt to bring any Claim against any of the Releasees, this agreement would be sufficient grounds for the summary dismissal of your Claim.

CPA CANADA EXAMINATION MATERIALS

I understand that all written examinations are the property of CPA Canada, and are under the exclusive custody and control of CPA Canada. CPA Canada has the exclusive authority to determine the contents, use, retention, disposition, and disclosure of this examination material. Learners do not have direct access to any examinations once they are written, and will not, at any time, have access to the examination questions, examination marking keys, or any other marking materials for a non-disclosed examination.

I hereby agree that I will maintain the confidentiality of the CPA Canada examination. In addition, I agree that I will not:

Divulge the specifics of any CPA Canada examination question or answer under any circumstances, other than following the examination to another learner who has already sat the same examination;

Obtain or use answers or information from, or give answers or information to, another learner or person during the sitting of the examination;

Refer to unauthorized material or use unauthorized equipment during the examination; or

Remove or attempt to remove any regional/provincial body or CPA Canada examination materials, notes, or any other items, from the examination room.

I further agree to report to the regional/provincial body or CPA Canada any situations in which there is a material risk of compromising the integrity and confidentiality of the examination.

I affirm that I have had the opportunity to read the Writing Centre Rules, and I agree to all of its terms and conditions. I understand that I need to review the most recent version of the Writing Centre Rules prior to each examination, and agree to be responsible for such review of and compliance with the Writing Centre Rules for the duration of my participation in the program.

AGREEMENT

By clicking "I Agree," I understand that failure to comply with this agreement may result in, without limitation, the invalidation of my grades, disqualification from future examinations, expulsion from the profession, and possible legal action.

I have read and understood all of the above information and policies, and agree to be bound by these terms. I understand that this agreement is valid for the entire duration of my participation in the program. I further understand that there may be changes to program policies and tools, and that I am responsible for ensuring that I am up-to-date on all changes that are published on the learning management system or by the regional/provincial body or by CPA Canada for learner reference.
